The Oakdale Christian Academy Concert Choir hails from the South Side of Chicago and is known for its electric performances. Their young and dynamic director will lead the children and both choirs in spirituals, gospel, and inspirational songs, new and traditional.

The North Shore Choral Society, conducted by music director Julia Davids and Julia Brueck, will also share musical pieces of praise, including Randol Alan Bass’s *Gloria*, featuring pianist Sharon Rich Peterson. Join us for an afternoon of joyful singing with two ensembles combining their different musical backgrounds in powerful performance!
